1 (Trial resumed; jury not present)

2 THE COURT: I asked to begin a little bit early, and  
3 I'm sure counsel and Mr. Jenkins will join us momentarily,  
4 because I had a couple of questions for the parties, and I had  
5 a couple of issues regarding the charge that came up last  
6 evening. I'm going to begin with the charge issues first. And  
7 this is directed to my friends at the back table. Mr. Passeser  
8 in particular, you mentioned to me a couple of defenses  
9 yesterday that were not in Mr. DeAtley's initial submission to  
10 me. And when I started to think about their inclusion in the  
11 charge, the problem that I had is, I, if I may be so candid, I  
12 wish not to do your work for you. So I did notice -- and this  
13 was the first thing that -- the first take that I had -- that  
14 the offense of attempted assault on a police officer was found  
15 by the Second Department in 2006 to be a legal impossibility.  
16 So perhaps there is a change in the statute. But if I may cite  
17 to you the case of *People v. Carmona*, 27 A.D. 3d 574 -- and  
18 you'll excuse me if it's been changed since then, but that was  
19 the first thing that I saw. So I just ask you to look at that,  
20 please.

21 MR. PASSESER: What was the year on that, your Honor?

22 THE COURT: 2006.

23 MR. PASSESER: OK.

24 THE COURT: Secondly, sir, on the issue of criminal  
25 trespass in the third degree, there are a number of potential

FC8AJEN1ps

1 subdivisions, and I don't know which ones you think are  
2 applicable. I might know better at the end of this trial, and  
3 perhaps you're not actually persisting with that, but I don't  
4 know which one it is.

5 Thirdly, on the issue of obstructing governmental  
6 administration, which if I sometimes mistakenly call  
7 obstructing governmental authority you know what I'm talking  
8 about, I understand that in order for there to be probable  
9 cause for the offense, there must be an official function that  
10 the plaintiff is alleged to have obstructed. I don't know what  
11 that function is. I don't know whether it is approaching him  
12 to ask for identification, an attempt to do something else. I  
13 simply don't know. So that's when I said I should perhaps talk  
14 with the parties.

15 MR. PASSESER: Sure. With respect to the last  
16 question, the official function would be to stop the plaintiff.  
17 We would argue that he obstructed it by shoving the officer and  
18 trying to get away.

19 THE COURT: All right. So you're saying, the  
20 defendants assert that the plaintiff intentionally obstructed,  
21 impaired, or perverted an attempt to stop him to speak with  
22 him?

23 MR. PASSESER: Correct.

24 THE COURT: I don't --

25 MR. PASSESER: I mean, a lawful stop.

FC8AJEN1ps

1 THE COURT: Well, that's going to go into a lot of  
2 things, because that expression is going to be whether that  
3 stop was appropriate.

4 MR. PASSESER: Right.

5 THE COURT: OK. I understand.

6 OK. Thank you very much.

7 MR. PASSESER: You're welcome.

8 THE COURT: All right. I don't know whether  
9 Mr. Passeser or Mr. DeAtley is going to speak to the issues  
10 raised in Mr. Boyle's letter of last evening. First of all let  
11 me ask you both, have you received it?

12 MR. PASSESER: We have.

13 THE COURT: OK. That's you, Mr. DeAtley. OK.

14 MR. DeATLEY: I believe my colleague has spoken to  
15 with Mr. Boyle about the issues addressed in his letter and  
16 what we do not object to. I think what we made an objection to  
17 is the complaint report and the arrest report, simply because  
18 it's confusing to present to a jury without having it brought  
19 in through a police officer or having him be able to explain  
20 what the document says.

21 THE COURT: This is Exhibits 1 and 2?

22 MR. DeATLEY: Exhibit 1 and 2, your Honor, the  
23 complaint report and the arrest report.

24 THE COURT: You're not objecting to the admission of  
25 the other materials that are cited here.

FC8AJEN1ps

1 MR. DeATLEY: No, your Honor.

2 MR. PASSESER: Except for, I'm sorry, except for the  
3 parole. I'm not including the parole up to this point. The  
4 parole records, nos. 303 through 306 and 329 through 340 --

5 THE COURT: Are what? You object?

6 MR. DeATLEY: We're not objecting to. But 323 -- or  
7 273 to 275, which is the chrono report --

8 THE COURT: I'm awfully sorry, I'm only seeing 273 and  
9 274 being cited.

10 MR. DeATLEY: I don't believe they're cited, but  
11 there's three pages, your Honor, included in the exhibit.

12 THE COURT: So that you're objecting to. What else,  
13 please, sir?

14 MR. DeATLEY: Just Exhibit 1 and Exhibit 2, your  
15 Honor.

16 THE COURT: I'm sorry. I should have been more  
17 precise. With respect to the parole file, is it simply those  
18 three pages?

19 MR. DeATLEY: Correct.

20 THE COURT: OK. Thank you. I have some questions  
21 about those as well.

22 Can I hear a little bit more about your concerns about  
23 Exhibits 1 and 2, please. I don't know -- I shouldn't be glib.  
24 I'll be serious. They don't bother me. If we're going to talk  
25 about something where there is, at the very least, indicia of

FC8AJEN1ps

1 reliability, which is how I'm understanding courts examine  
2 information of this type, or presentation of information of  
3 this type, I hate to think that those are things that should  
4 not be relied upon.

5 What I understood from yesterday was that your concern  
6 was one of cumulativeness and confusion. So I guess there will  
7 be police officers testifying, correct?

8 MR. DeATLEY: Yes, your Honor. The concern about, if  
9 I may address --

10 THE COURT: Please.

11 MR. DeATLEY: Your concern about the evidence being  
12 cumulative is that plaintiff also has additional exhibits,  
13 Exhibits 3 and 4, which are an arrest run and arrest data,  
14 information that is present in a different manner, but is all  
15 condensed into that original arrest report. So our concern, as  
16 addressed yesterday with plaintiff's counsel, was including all  
17 of these exhibits and presenting them to the jury, because we  
18 believe that all of them together would be cumulative and  
19 confusing to the jury.

20 Specifically to the two that he addresses in his  
21 letter, which is the complaint report and the arrest report,  
22 Exhibits 1 and 2, our concern is simply that allowing  
23 plaintiff's counsel to introduce it in any way without  
24 introducing it through an officer would be confusing to the  
25 jury.

FC8AJEN1ps

1 THE COURT: All right. Let me speak to Mr. Boyle for  
2 a moment. Thank you.

3 Mr. Boyle, is it your intention to introduce these  
4 through your client?

5 MR. BOYLE: Your Honor, it's our position legally that  
6 they don't have to be really introduced through anyone --

7 THE COURT: I understand.

8 MR. BOYLE: -- because they -- but I will -- it was my  
9 intention this morning to offer them into evidence, with  
10 Mr. Jenkins on the stand. He doesn't necessarily even have to  
11 address these documents. They are authentic. They fall within  
12 the exception. They come into evidence.

13 THE COURT: OK. May I stop you for a moment, sir.  
14 Where is your client?

15 MR. BOYLE: I was just looking to see if there was a  
16 message from him, and I was going to go out and call him and  
17 make sure he's nearby.

18 THE COURT: All right. Perhaps if Mr. Oliver can  
19 handle that, because I want someone talking to me about legal  
20 issues.

21 All right. I am inclined, I will let in Exhibits 1  
22 and 2. And as to 273, 274, and 275, I'm still looking at that  
23 issue. Mr. Boyle, is it your intent, sir, that if I let in --  
24 these other exhibits do not seem to be of concern to the  
25 defense, in the sense that they're not objecting to their

FC8AJEN1ps

1 introduction. Is it your intention, if I were to let in these  
2 other three pages, to not call the parole officer as a witness  
3 in the case, or are you still calling him?

4 MR. BOYLE: It would make it far less likely to call  
5 him. I mean, we're thinking through it, but it would be far  
6 less likely to have to call him.

7 THE COURT: The reason that I ask, sir, is not that  
8 it's going to impact my decision. I'm not going to --

9 MR. BOYLE: Of course not.

10 THE COURT: -- introduce or not introduce something  
11 just to limit the number of witnesses. My issue is, I don't  
12 actually know how these -- I see the words on the page. I  
13 don't actually understand their genesis. I don't understand  
14 whether -- it's not as obviously a public record to me because  
15 I don't understand it as much as I understand other things that  
16 you've shown to me, such as the disposition sheet or  
17 certificate or the notices or the warrant. Those are very  
18 obviously public records to me. So I am going to look a little  
19 bit more carefully at the chron entries. But that's the aspect  
20 of your inquiry or your request that I have not decided yet.

21 MR. BOYLE: Thank you.

22 THE COURT: OK. Thank you. Also one other thing on  
23 the issue of level one performance monitoring, I am not going  
24 to allow that testimony. Having spent a fair amount of time  
25 last night thinking about it, I am concerned about confusion of

FC8AJEN1ps

1 the issues because it is simply a number of complaints. And I  
2 don't mean to suggest that -- well, I guess I mean to  
3 suggest -- that one might simply be unlucky and have three  
4 complaints. I then have to explain to the jury what a  
5 substantiated complaint is.

6 Now, off the record momentarily, please.

7 (Discussion held off the record)

8 THE COURT: We are now back on the record.

9 Mr. DeAtley.

10 MR. DeATLEY: I wanted to inform the Court of two  
11 issues. First in terms of, at the end of yesterday's  
12 conference, we discussed the mugshot issue that plaintiff  
13 raised.

14 THE COURT: Yes, sir.

15 MR. DeATLEY: We provided plaintiff the original PDF  
16 scan, as well as we showed plaintiff the original copy that we  
17 have this morning. Plaintiff indicates that his copy may be  
18 just as good or, or -- fine.

19 The second issue, your Honor, that we would like to  
20 raise is that, in plaintiff's opening yesterday, he did mention  
21 that the defense attorney who would likely testify this  
22 afternoon, will testify that the injuries that Mr. Jenkins  
23 received were of a defensive nature, not of an offensive  
24 nature. We do not feel that she is capable of testifying in  
25 such a manner. She wasn't identified as an expert. She has no

1 qualifications to be able to indicate to the jury that the  
2 wounds, or the injuries suffered by Mr. Jenkins, were of a  
3 defensive versus of an offensive nature.

4 THE COURT: All right. Mr. Boyle, I was surprised  
5 that you went that far in your opening. Could you speak to  
6 that issue, sir, because I myself -- whatever CSI shows I may  
7 have watched in my lifetime, I'm not sure that I'm expert  
8 enough to opine on whether something is defensive or offensive  
9 or whether someone bruises easily or doesn't bruise easily, so  
10 I'm not sure how she has the competence to speak to that issue.

11 MR. BOYLE: Well, I believe she will testify that she  
12 has -- she is an extremely experienced defense attorney and is  
13 in the criminal law and has tried many cases, assault cases,  
14 where the defenses are sometimes whether certain wounds are  
15 defensive or offensive in nature. And you make that argument  
16 to the jury. If someone puts up their arms -- and I'm holding  
17 up now my forearm bent and my fists covering myself -- and the  
18 wound in this case is on the far side, that certainly, in terms  
19 of argument, is a defensive wound.

20 If the Court has a concern about it, I can certainly  
21 speak to Ms. Richman before she takes the stand on that issue.

22 THE COURT: Yes. I want to just look at something,  
23 sir. I am aware that Ms. Richman is a criminal defense  
24 attorney with significant experience. I don't believe that she  
25 was offered as someone who's going to speak to how her prior

1 representation of individuals in cases of this type gave her  
2 particular insights into whether a particular injury was  
3 offensive or defensive. So let me just look at this.

4 No. She is listed as someone who will testify to her  
5 representation of the plaintiff on the criminal charges and the  
6 parole violation proceedings, and her observation of the  
7 plaintiff as he appeared in court at the arraignment and  
8 thereafter. I did not understand that to be this issue. What  
9 she may testify to is what she saw and what she did not see. I  
10 don't want her to be connecting the dots in a way that suggests  
11 that she has an expert -- or a specialized knowledge, based on  
12 being a criminal defense attorney, in whether wounds or  
13 injuries are defensive or offensive. So if you could just  
14 instruct her in that regard.

15 MR. BOYLE: Yes, your Honor.

16 THE COURT: OK. Thank you.

17 All right. Anything else?

18 MR. DeATLEY: Nothing from defense, your Honor.

19 THE COURT: All right. Thank you.

20 Off the record.

21 (Discussion held off the record)

22 THE COURT: Now we're back on the record.

23 MR. BOYLE: And your Honor, just to make it complete  
24 or more on this issue, which went to my hoping and not trying  
25 to go beyond the scope: In the arraignment transcript, when

1 she is in front of the court, she says, "If I may have him  
2 remove his jacket, your Honor, and note there was a defensive  
3 wound which goes through his sweatshirt to his left forearm."  
4 That is actually, when she was standing in the criminal court  
5 at the arraignment, that's what she said.

6 THE COURT: I am aware of that, sir. But I guess I'm  
7 drawing a distinction between advocacy and competence. I don't  
8 know that she can say that. I know she did say it. I don't  
9 know whether she is competent to make that assessment.

10 All right. Thank you very much.

11 I'm going to step off the bench momentarily. We're  
12 not going to have this happen again, with anyone showing up  
13 late, I'm sure. Thank you.

14 (Recess)

15 (Jury present)

16 THE COURT: Off the record.

17 (Discussion held off the record)

18 THE COURT: We're back on the record.

19 Good morning to each of you.

20 JUROR NO. 7: Good morning.

21 THE COURT: Welcome. And we begin now with the  
22 presentation of the plaintiff's case.

23 Mr. Boyle.

24 MR. BOYLE: Thank you, your Honor. For our first  
25 witness, the plaintiff calls the plaintiff himself, Norman

1 Jenkins.

2 THE COURT: Yes. Mr. Jenkins, please come forward.

3 THE CLERK: Please step up near the witness box and  
4 just remain standing for a moment, sir.

5 NORMAN JENKINS,

6 the plaintiff herein,

7 having been duly sworn, testified as follows:

8 THE COURT: You may proceed, sir. Thank you.

9 MR. BOYLE: Thank you, your Honor.

10 DIRECT EXAMINATION

11 BY MR. BOYLE:

12 Q. Good morning, Mr. Jenkins.

13 A. Good morning.

14 Q. I would just ask you to please speak slowly and not be  
15 too -- be close to the microphone but not too close, so we can  
16 all understand what you're saying. Thank you.

17 Mr. Jenkins, are you the plaintiff in this action?

18 A. Yes.

19 Q. OK. Now, directing your attention to May 22, 2010, what if  
20 anything happened in the early morning hours?

21 A. I was approached from behind, and I was hit in the back of  
22 the head. I was struck in the back of the head.

23 Q. Were you arrested that night?

24 A. Yes.

25 Q. Were criminal charges eventually levied against you?

1 THE COURT: Counsel, lead less. Thank you.

2 A. Um, I was, I was arrested, and then consequently there was  
3 charges brought.

4 Q. What were those charges?

5 A. Resisting arrest, possession of crack cocaine, possession  
6 of marijuana, and assault on a police officer.

7 Q. Now, were those charges true or false?

8 A. They was false.

9 Q. Now, directing your attention to the day of June of 2011,  
10 what if anything happened with those charges?

11 A. They, the prosecutor dismissed them.

12 MR. BOYLE: May I have a moment, your Honor?

13 THE COURT: Yes.

14 MR. BOYLE: Your Honor, at this time plaintiff would  
15 move into evidence Plaintiff's Exhibit 12, the certificate of  
16 disposition.

17 MR. PASSESER: No objection.

18 THE COURT: It is admitted in evidence.

19 (Plaintiff's Exhibit 12 received in evidence)

20 THE COURT: Counsel, do you wish to pass it to the  
21 jury, or are you going to display it on the Elmo?

22 MR. BOYLE: I'm going to -- maybe I'll make my first  
23 attempt, your Honor, to use the Elmo.

24 THE COURT: OK. We'll see how that works out.

25 You'll excuse us for a moment as we get used to this

1 lovely technical equipment.

2 Yes. At the moment you're showing my forearm. All  
3 right. Now -- you were almost there. There. Now you're --  
4 right there, and then you go straight down, please.

5 All right. Can the jurors see what is on the screen?  
6 And I'm seeing nods and no one is saying they cannot.

7 OK. And, Mr. Jenkins, do you see it, sir?

8 THE WITNESS: Yes.

9 THE COURT: Thank you.

10 Q. Mr. Jenkins, were you present in court on the day the  
11 charges were dismissed?

12 A. Yes, I was.

13 Q. And what was the -- to the best of your recollection, what  
14 were the circumstances of the dismissal?

15 A. It wasn't -- I -- there was no disposition given, but from  
16 the letters that I was writing, I was asking to be --

17 THE COURT: I'm sorry. I want to -- I think his  
18 question to you, sir -- excuse me -- is, that day, when you  
19 were in court and they dismissed the charges, were you there?

20 THE WITNESS: Yes, ma'am.

21 THE COURT: OK. And, Mr. Boyle, your question is,  
22 what happened that day?

23 Q. What happened in court?

24 THE COURT: That day.

25 A. Oh. Um, I walked in. My lawyer, me and my lawyer

1 approached the bench. And when the clerk read off my charges,  
2 the DA stepped up and said she's filed a motion to dismiss.

3 Q. What if anything did the court do after the district  
4 attorney said that?

5 A. They um, they said that, um, my -- that this would be  
6 sealed and that, um -- and that, um, it would be eradicated off  
7 my records.

8 MR. BOYLE: I'm just going to try to turn it off, your  
9 Honor.

10 THE COURT: Here. I'll just turn off the monitors.

11 MR. BOYLE: Thank you. Thank you, your Honor.

12 THE COURT: Full service, counsel.

13 Q. Mr. Jenkins, I'm going to ask you some questions about your  
14 background. How old are you?

15 A. I'm 49.

16 Q. And where were you born?

17 A. I was born in Flower Fifth Hospital, New York, New York.

18 Q. Do you have any brothers and sisters?

19 A. I have four brothers, one deceased, and five sisters.

20 Q. And could you please tell the Court and jury your  
21 educational background.

22 A. GED and 52 credits of college from Ulster Community  
23 College.

24 Q. Other than the GED, do you have -- did you have any  
25 work-related training?

1 A. Yeah. Plumbing.

2 Q. Are you currently employed?

3 A. As of right now, no.

4 Q. Could you please tell the Court and jury something about  
5 your work history.

6 A. From '08 to 2010, I formed my own business, called -- a  
7 management business called We Do a Seven.

8 THE COURT: I'm sorry. What was the business called?

9 THE WITNESS: We Do a Seven.

10 THE COURT: We Do a Seven.

11 THE WITNESS: Yes, ma'am.

12 THE COURT: Got it. OK.

13 A. It was a management company, where I managed acts and  
14 promoted shows. But, you know, sometimes it's a hit-and-miss  
15 with that, so I was -- odd jobs I worked for my father. My  
16 father owns a plumbing company, called JJ Piping, and like, you  
17 know, when it's available, you know, he would send work my way.  
18 He does that today too, for the day, like, you know, I do  
19 boilers, six boilers, anything, stoppage, leaks. You know, any  
20 material, galvanized, black matter, black steam, anything.  
21 Sweating, cast iron. Anything that got do with plumbing I can  
22 basically do.

23 THE COURT: And, sir, I'm sorry. Just the first thing  
24 you said, you do boilers? Is that what you were saying?

25 THE WITNESS: Six series, one series boilers.

1 THE COURT: OK. That's the word. I wanted to -- OK.  
2 Thank you.

3 Q. Mr. Jenkins, do you have any children?

4 A. Yes. I have three.

5 Q. And what are their names and ages, please?

6 A. I have Quanisha Jenkins. She's 33. I have Diamond Matthew  
7 Jenkins. She's 14. And I have a five-year-old son named  
8 Mikael Jenkins.

9 THE COURT: Could you please give the spelling.

10 THE WITNESS: Oh, Quanisha, Q-u-a-n-i-s-h-a, Jenkins.  
11 Diamond, D-i-a-m-o-n-d. And Mikael, M-i-k-a-i-e-l, Jenkins.

12 Q. Where do you currently reside? Not the specific address,  
13 but in what area do you reside?

14 A. Harlem.

15 Q. Now, directing your attention to May of 2010, where were  
16 you residing then?

17 A. Parkchester. I had a condo there.

18 Q. You're saying you had a --

19 A. Yeah. I live in a, I live in Parkchester, so condo houses.

20 Q. Where is Parkchester?

21 A. In the Bronx.

22 Q. Do you have a specific address where you're residing?

23 A. Yeah. 24 McGraw. 2054 McGraw.

24 Q. Thank you. And with whom are you residing?

25 A. I'm living with my cousin, my cousin Jennifer Hamilton.

1 Q. Were you employed at that time, that is, May of 2010?

2 A. No.

3 Q. And what was going on in your life at that time, if  
4 anything?

5 A. At that time in my life I had, I -- I was -- We Do a Seven  
6 and I was having a son, and my son, I was expecting a child.

7 Q. When are you actually expecting that child?

8 A. The due date was May 21, 2010.

9 Q. How were you feeling about that impending birth?

10 A. You know, due to the circumstances, my oldest child, we  
11 kind of like, you know, fell apart because during her whole  
12 life I was incarcerated. So when I was having a son, I don't  
13 know if it was jealousy on her part or whatever, but, you know,  
14 we kind of like drifted apart, and then basically, on the 20th,  
15 on the 20 -- on the 21st, she basically asked me, like, yo,  
16 don't treat my little brother like how you treated me. And,  
17 you know, basically that was the best thing. At that moment  
18 right there, you know, my kid forgave me, you know, saying I'm  
19 having another child. So I was, you know, I was in clouds.

20 Q. Let me stop you there. You indicated you were incarcerated  
21 for most of your daughter's life. Do you have a criminal  
22 conviction?

23 A. Yes.

24 Q. Is that a conviction for a felony?

25 A. Yes.

1 Q. And were you on parole in May of 2010?

2 A. Yes.

3 Q. Are you on parole today?

4 A. Yes.

5 Q. And directing your attention to May of 2010, were you on  
6 any kind of parole restrictions?

7 A. Yes. I was on parole restriction that I couldn't leave the  
8 state, I couldn't drink, I couldn't own a firearm, I couldn't  
9 have no inter-reaction with police. I couldn't have drugs on  
10 me. And I had a curfew.

11 Q. What was that curfew?

12 A. The curfew was that I can't leave my house from 7 to -- I  
13 got -- I could leave my house from 7 in the morning, and I have  
14 to be back in my house by 9 o'clock at night.

15 Q. Did you have a parole officer in May of 2010?

16 A. Yes. I had -- my parole officer name was P.O. Watkins.

17 Q. What kind of relationship if any did you have with Parole  
18 Officer Watkins?

19 A. He was -- he was my parole for almost -- for almost 18  
20 months. I was out on parole for two years. So basically our  
21 relationship was, you know, parolee and supervisor  
22 relationship. It kind of extended to a friendship.

23 But he was very impressed with my, um, my adapt -- how  
24 I adapted to supervision.

25 MR. PASSESE: Objection, move to strike the last

1 part.

2 THE COURT: Yes. That is stricken. That wasn't part  
3 of the question at all, so it isn't appropriate for him to  
4 testify to that.

5 MR. BOYLE: OK.

6 THE COURT: So the jury will disregard the very last  
7 thing about Officer Watkins' views regarding how well or poorly  
8 the defendant was doing. Thank you.

9 Q. Did you ever discuss the impending birth with Parole  
10 Officer Watkins?

11 A. He supervised me. I discussed everything with my parole  
12 officer, everything in life, that, you know, they supervised  
13 me, so anything that goes on in my life when I'm employed, you  
14 know, I share that with them.

15 Q. What did you tell him?

16 A. You know, I tell him I was having a son, you know, and I,  
17 you know, I feel great about starting a family, you know. He  
18 knew the situation between me and my daughter. He knew that,  
19 he knew that my son was -- due date was May 21. He knew that.  
20 He knew that, that, um, the, um -- the hospital that he was  
21 supposed to be born in, that, you know, we did our preparation,  
22 was in Hackensack, New Jersey, same hospital that my girlfriend  
23 was born in. So he knew everything about me. That was nothing  
24 that he didn't know.

25 Q. Now, directing your attention to May 21st of 2010, what did

1 you do that day?

2 A. Well, May 20th --

3 Q. May 21, 2010.

4 A. May 21, 2010, I went to work. My father, he had a job for  
5 me, and he picked me up, you know, about 7:30, and we went to  
6 the site.

7 Q. Was that 7:30 in the a.m.?

8 A. 7:30 in the a.m.

9 Q. OK. What if anything happened while you were working?

10 A. Nothing happened while I was working.

11 Q. Did there come a time when you left work?

12 A. Yeah. There came a time where I was leaving work, and I  
13 got a call from Shaquala, who was at, you know, pregnant at  
14 that time.

15 THE COURT: I'm sorry, sir. Could you spell her name,  
16 please.

17 THE WITNESS: S-h-a-q-u-a-l-a.

18 THE COURT: Thank you. And this is the mother of your  
19 child?

20 THE WITNESS: Yes. Yes, ma'am.

21 THE COURT: Thank you.

22 A. So she calls and she, she's telling me that she's having a  
23 lot of pain. And it's like she, she -- actually she had called  
24 the day before complaining about the same thing on the 20th.  
25 And what happened on the 20th was I, um, I called my parole

1 officer, and I basically explained to him -- I was supposed to  
2 report that day. So ba --

3 Q. That was on the 20th you were supposed to report.

4 A. That's on the 20th, that's the 20th.

5 I called them, and I basically explained to them,  
6 like, you know my son about to be born, you know, like I'm, I'm  
7 going to call out of work and this and that. So he was like,  
8 you know what, come in on the 27th. This was over a phone  
9 conversation. I didn't know when my son was going to be born  
10 and when we was going to be -- see, I just knew that that was  
11 the due date. He was actually born six days later, after, six  
12 days later, of the 21st. He was born on -- I mean, seven days  
13 later he was born, on the 28th.

14 Q. Getting back to the 21st, you indicated you received a  
15 telephone call from Shaquala. Is that right?

16 A. Yes.

17 Q. What did you do, if anything, as a result of that call?

18 A. I was with my father, so he pulled up to -- he was -- he  
19 lives in Concord Village, and he pulls up to his parking space.  
20 And I call upstairs, and my pa had extra keys to my brother's  
21 truck. I call upstairs, I get in my brother's truck, a  
22 Durango, and I drive to Parkchester to get, to get Shaquala.

23 Q. What was your intention, if any, driving to Parkchester to  
24 get Shaquala?

25 A. I was going to take her to the hospital. I was expecting

1 my son to be born.

2 Q. Did you in fact pick her up in Parkchester?

3 A. Yes, I did.

4 Q. And where if anywhere did you go?

5 THE COURT: I'm sorry. Can I just hear that? She was  
6 picked up in Parkchester?

7 MR. BOYLE: Parkchester.

8 THE COURT: Thank you.

9 A. Me and my -- my cousin brought her downstairs. We got in  
10 the truck. And we headed, we headed towards Hackensack  
11 Hospital.

12 Q. What is the name of your cousin?

13 A. Jennifer Hamilton.

14 Q. Did there come a time when you got to the hospital in  
15 Hackensack?

16 A. Yes.

17 Q. Approximately what time did you get there?

18 A. Maybe 7, 8. 7, 8 o'clock. 6 o'clock. From -- anywhere  
19 between 6 to 8.

20 THE COURT: Evening or morning, sir?

21 THE WITNESS: P.m.

22 Q. Did she in fact give birth that night?

23 A. No, she didn't. It was, um, it was gas.

24 Q. Now, did there come a time when you left the Hackensack  
25 Hospital area?

1 A. Yes.

2 Q. Where if anywhere did you go?

3 A. I went to -- she, she's from Elizabeth, New Jersey. So it  
4 was like a 20-minute drive. She wanted to grab some stuff from  
5 my mother and she wanted to see her sisters and all that, so we  
6 drove over to Elizabeth, New Jersey.

7 Q. Did you in fact go to Elizabeth?

8 A. Yes, I did.

9 Q. How long did you remain in Elizabeth?

10 A. 40 minutes, the top.

11 Q. And after leaving Elizabeth, where did you go?

12 A. We -- I was headed back towards Parkchester. I was headed  
13 home. And I got a call from my daughter, Quanisha -- at that  
14 time we didn't speak for like about nine or ten months. And  
15 she knew that my -- somebody -- it went through the family  
16 that -- she found out that I, you know, that -- might be giving  
17 birth. So she called me, and I said, no, this is a false  
18 alarm. And she was like, dad, I want to talk to you. So I was  
19 like, OK, cool, you know what I'm saying, because we, we  
20 haven't talked in like, basically eight months at that time.  
21 She wasn't returning my calls. She wouldn't even say nothing  
22 to me at all.

23 Q. OK. And you indicated you were in the car, leaving  
24 Elizabeth. Who was in the car?

25 A. In the car was my cousin, Jennifer Hamilton, and Shaquala

1 Mitchels, my son's mother.

2 Q. As a result, did you -- you had a conversation with  
3 Quanisha. What if anything did you do after that conversation?

4 A. Well, I, first of all, I told her I was driving and that I,  
5 you know, I'm coming over there, you know, like you know what  
6 I'm saying, I know like this is important, you know.

7 Q. And when you say "going over there," where was she?

8 A. She was in 310 East 102nd Street, Apartment 4D. That's  
9 her -- that's where she was at at the time. That's where she  
10 lived at.

11 Q. Is that in Manhattan?

12 A. Yes, in Manhattan.

13 Q. Did you in fact get there?

14 A. Yes, I did.

15 Q. Approximately what time did you arrive at Quanisha's  
16 apartment?

17 A. Anywhere from like 10 to 11.

18 Q. That would be at night?

19 A. That would be at night.

20 Q. What if anything happened when you were there?

21 A. Um, you know, we, we went upstairs. You know, I hugged my  
22 daughter. And she basically told me, like, yo, pops, you know  
23 what I'm saying, you gone for, you know, large part of my life,  
24 you know. And, you know, I don't want you to do that to my  
25 little brother. I don't want you to, you know what I'm saying,

1 that's how -- don't treat my little brother the same way. So I  
2 told her, you know, Quanie, I love you man, you see what I'm  
3 doing out here, you know, I'm trying to do what -- you know,  
4 like, it was 30 years ago. You know. This is what I'm doing  
5 right now.

6 And I hugged her, her, and I told her like, yo, listen  
7 man, I got you and your little brother, and your little sister.  
8 You know. So it was like, you know, at that time, that moment  
9 right there, like it was the best time in my life, because, you  
10 know, I started there with my, you know, my relationship with  
11 my kids, you know. And that's all that matters. And we went  
12 through a lot, like it wasn't just like that day we popped up  
13 and had this conversation. Like we screamed, we yelled. I  
14 came home. She had her fists balled, you know. I mean, I  
15 spent 20 years of my life in the penitentiary, not back and  
16 forth, just 20 straight. She grew up as a little girl without  
17 her pops. So now she's saying like, you know, you doing it  
18 again? And it wasn't more so the way that I was living. She  
19 didn't ever take the time to see the type of person, you know,  
20 that I came home and was aspiring to be. She was just basing  
21 it on, you know, the fact that -- her pains. And I couldn't be  
22 a father to her no more. I told her that. You're a grown  
23 woman now. You know what I'm saying. Ain't daddy girl no  
24 more. So it was heartfelt.

25 But I gave her my word that what happened with her

1 little brother -- like from the time he come out all the way  
2 to, I got to let his hand go, I'm going to be there. And I was  
3 there this morning. I was there the morning, yesterday  
4 morning, like, true to my word. When he wake up in the  
5 morning, I'm there. When he go to sleep at night, I'm there.

6 Q. Does Mikaiel live with you now?

7 A. Yes.

8 Q. Now, after your conversation with Quanisha, what if  
9 anything happened?

10 A. You know, we talked. It got kind of late. I was tired. I  
11 was up. I got up. I was working all day. I had to drive out  
12 to New Jersey. You know, I was kind of tired. So, you know,  
13 it's not like I never slept there before. This was, like,  
14 right next door where I grew up. It's actually where I'm  
15 sleeping in the room that she was conceived in. So I fell  
16 asleep.

17 Q. Now, other than yourself and Quanisha, who else was in the  
18 apartment?

19 A. Me, Jennifer, and Shaquala.

20 Q. I'm sorry. Shaquala, Mikaiel's mother.

21 A. Mikaiel's mother, yes.

22 Q. Your cousin, Jennifer Hamilton.

23 A. Yes. And Quanisha.

24 Q. And your daughter, Quanisha.

25 A. Yeah.

1 Q. And you fell asleep?

2 A. Yeah, I fell asleep.

3 Q. Did there come a time that you woke up?

4 A. I woke up. My cousin Jennifer woke me up. And she  
5 basically telling me that she was going home, and that she  
6 wanted to sleep in her own bed. And, you know, and you got to  
7 tell her this, thinking that she would be real difficult, you  
8 know, tired. She knows that I'm not going to let her go to  
9 Parkchester by herself. That's, you know, a very dangerous  
10 neighborhood, you know, and basically I wasn't going to allow  
11 her to walk through that neighborhood by herself to go home.  
12 Plus, on top of that, you know, I had a curfew. You know what  
13 I'm saying. If my PO shows up and I'm not there, it would mean  
14 that I would explain the situation to him, but still if I  
15 had -- I could possibly even get there. So I'm like saying,  
16 all right, cool, let's go home. Quala's feet were swollen, so  
17 she stayed at my daughter's house.

18 Q. Let me stop you there. You indicated earlier that you had  
19 a curfew. And that meant that you had to be in your assigned  
20 place by 9 p.m. at night.

21 A. Mm-hmm.

22 Q. Were you in your home by 9 p.m. at night on May 21?

23 A. No, I wasn't.

24 Q. Did you make any effort at all to call your parole officer?

25 A. Bad judgment on my part, but no, I didn't.

1 Q. So after the conversation you had with Jennifer, what if  
2 anything did you do?

3 A. I went downstairs. I don't know if I went down to smoke a  
4 cigarette, but I went downstairs. I was kind of like heated at  
5 her, you know, because it was like, you know, it's 2 o'clock in  
6 the morning, you want to head out to Parkchester, you know, the  
7 6 Train at that time. So I was like, come on, let's go. And  
8 she was saying, she was talking to Quala. And then she was  
9 talking to Quanisha. I went downstairs and I wait, and waited  
10 for her. And when she came out the building, I headed towards  
11 the train station. It had to be like, like about a quarter  
12 after 2.

13 Q. Did you walk with her?

14 A. No. I was, I was kind of like in front of her. You know,  
15 she, she, still kind of like, you know, antsy, about, you know  
16 what I'm saying, this happening, us leaving this early, you  
17 know what I'm saying, late at night to go home.

18 Q. Let me stop you there again. Quanisha's apartment  
19 building, could you please just state on what street it was and  
20 between what avenues.

21 A. Quanisha's building is from between First and Second  
22 Avenue, on 102nd Street. It's on the south -- it's on the  
23 south-bound side of the street, facing west, going west.

24 Q. And you indicated you were going to the 6 Train. Did you  
25 have a particular station of the 6 Train in mind?

1 A. Um, excuse me?

2 Q. What 6 Train station were you headed to?

3 A. Oh. 6 Train, on 103rd and Lexington.

4 Q. So there came a time when Jennifer came downstairs.

5 A. Mm-hmm.

6 Q. And then what's the next thing that happened?

7 A. I, I, I started walking to the train station. I walked it  
8 up, I took it, you know, over a thousand times. Started  
9 walking to the train station.

10 Q. OK. By the way, Mr. Jenkins, how were you dressed that  
11 night? Particularly how were you dressed when you began the  
12 walk to the train station?

13 A. Um, I had a, I had a thermal -- a thermal T-shirt on and a  
14 hood, and a black hood. I had all black on. Black sneakers,  
15 black jeans, a black thermal shirt, and a black hood.

16 Q. Were you wearing a winter coat?

17 A. No.

18 Q. Are you familiar with the term "snorkel"?

19 A. Never own one.

20 THE COURT: Wait. That's a different question. He's  
21 asking you if you're familiar with the term.

22 THE WITNESS: Yes.

23 THE COURT: OK. What is it? Because I don't have  
24 one.

25 THE WITNESS: OK. A snorkel is a large coat. And

1 they got fur around the hood, and we used to call it German  
2 shepherd hair back in the day. It actually like this young  
3 lady coat right there, has the fur like that, and it's -- has  
4 like, you know, like pockets right here. This is big coat,  
5 this is big snow.

6 Q. Were you wearing a snorkel that night?

7 A. No, I wasn't.

8 Q. Are you familiar with the term "bubble jacket"?

9 A. Bubble jacket, yes.

10 Q. And what's your understanding of what a bubble jacket is?

11 A. A bubble jacket is a jacket that they -- either be filled  
12 with cotton or feathers.

13 Q. Were you wearing a bubble jacket that night?

14 A. No, I wasn't.

15 Q. OK. What if anything were you carrying on your person?

16 A. I had \$200 in my left pocket and I had my wallet in my back  
17 pocket, and I had my phone in my hand.

18 Q. Other than the phone and the money and the wallet, did you  
19 have anything else in your pockets?

20 A. I had nothing else in my pocket.

21 Q. Did you have any crack cocaine in your pockets?

22 A. I never had no crack cocaine in my pockets.

23 Q. Did you have any marijuana in your pockets?

24 A. I didn't have no marijuana in my pocket.

25 Q. OK. So you started walking towards the subway. Could you

1 just describe the route that you took.

2 A. I walked up 102nd Street. I crossed the street on Second  
3 Avenue.

4 Q. Were you walking with Ms. Hamilton?

5 A. She wasn't too far behind me. It wasn't like -- she was  
6 like maybe four or five cars behind me. Could be six cars.

7 Q. When you say "four or five cars," what do you mean?

8 A. Like the length of the cars, like four or five cars, the  
9 length, the six, the length of the car.

10 Q. And so you crossed Second Avenue. Is that right?

11 A. Yes.

12 Q. OK. What if anything happened next?

13 A. I got across the street. And I maybe got like, maybe a  
14 quarter in the block, maybe 30 steps. And I was struck from  
15 behind.

16 Q. When you say "struck from behind," what do you mean?

17 A. I was hit in the back of the head.

18 Q. What did that feel like?

19 A. It felt like I was hit with a pipe. I fell down. I passed  
20 out.

21 Q. What if anything happened as a result of being struck?

22 A. I fell to my -- I fell to one knee.

23 Q. What's the next thing that happened?

24 A. I blacked out. And I felt somebody like go through my  
25 pockets. And then I heard somebody say, yo, he paying for

1 dinner. And then --

2 Q. What did you think was happening?

3 A. I thought I was being robbed. And --

4 Q. Did you see any person prior to being struck?

5 A. No.

6 Q. OK. And you indicated you fell down to your knee.

7 A. Yeah.

8 Q. What's the next, very next thing that happened?

9 A. Um, some -- I felt somebody go in my pockets, like, like  
10 pat me, like if they was patting me down. Somebody went in my  
11 pocket. And I heard someone say, oh, he paying for dinner.  
12 Then I heard someone say, he don't got a gun on him.

13 And kind of like when I heard "gun," I kind -- I, I, I  
14 tried to stand up. And when I tried to stand up, I was just  
15 being punched, kicked. I was being hit with something. I  
16 tried to cover up. And I was still being kicked, punched. And  
17 I mean, this sound funny, but you ever see the cartoon, like  
18 there's big smoke and everybody's fighting and the guy that's  
19 really getting hit kind of like steps out the crowd and they're  
20 still hitting each other. And that's exactly what happened.  
21 Like they was beating me so bad that I actually literally like  
22 walked away from them like, and they was still swinging wild  
23 and everything, so I tried to run. And somebody grabbed me by  
24 the neck and grabbed me from behind and slammed me on the back  
25 of my head. And I was still being punched, kicked, you know,

1 beaten. I tried to cover up like this. And then one of them  
2 grabbed my legs, grabbed me by my legs and dragged me in  
3 between cars. And first when he grabbed me, my pants, my  
4 drawers and everything came off me. I was butt naked. And  
5 they dragged me to the car. One of them is trying to stomp me.  
6 The other one is beating me with something. I don't even know  
7 what he's hitting me with.

8 So when I get in between the cars, I hear, I hear  
9 somebody basically say, yo, we call the police. And then I  
10 heard one of them say, yo, we are the police. At this time,  
11 now I'm like, this is when I find out that they're police.

12 Q. Let me stop you there. You indicated when you were first  
13 describing this incident that "they" struck you. Did you see  
14 anyone at that time?

15 A. No. But at this time I, I could make who they are now.  
16 Like I'm in between the cars now. I --

17 Q. Going back, going back to the -- when incident started.  
18 You said "they." Did you see anyone?

19 A. I didn't see nobody.

20 Q. Did you -- do you know how many --

21 A. No.

22 Q. -- persons were there?

23 A. No. I, I know it was more than one. I didn't, I didn't  
24 know how many.

25 THE COURT: And, sir, I'm just going to ask you, so

1 the record is clear, wait until he finishes his question,  
2 please, before you answer.

3 THE WITNESS: OK. I'm sorry.

4 THE COURT: That's OK. Thank you.

5 All right. Thank you.

6 Q. And you indicated at some point that you were able to  
7 separate yourself somewhat and try and run.

8 A. Yeah.

9 Q. Did you see anyone at that point?

10 A. I, I seen the figures, but I didn't -- I didn't know who  
11 they -- I didn't know -- no, just seeing the people that was  
12 attacking me, like fists, handcuffs. I, I made a -- you know,  
13 at that time, you know what I'm saying, like I didn't know who  
14 like -- I couldn't look and see who they was.

15 Q. Where on your body were you struck?

16 A. In the head. Mostly it was in the head. I was punched. I  
17 was kicked. I was hit in the body too, like with the, with  
18 the -- with whatever the -- you know what I'm saying at the  
19 time, I didn't know what it was, was hitting me with. And they  
20 was just beating me. There was no, we the police, you did  
21 this, you did that. It was just an assault.

22 Q. You indicated you tried to run. Where were you running?

23 A. The precinct is, it's right in front of me, the pre -- the  
24 23rd Precinct is right in front of me. I mean, to the left of  
25 me is the school that I went to, like right to the left of me.

1 I went from prekindergarten to the sixth grade at that school.

2 I know the whole area, like, it's my cradle.

3 Q. Where did you grow up, what neighborhood?

4 A. I grew up in that neighborhood right there. Like actually  
5 the apartment that I left, my daughter was conceived in that I  
6 apartment right there. I lived right next door from 1971 to  
7 1987.

8 Q. Now you indicated that the precinct is right there. Where  
9 is the precinct located?

10 A. Right on the corner.

11 Q. On the corner of what?

12 A. On, I mean, it's further up on -- on Third Avenue.

13 Q. So you indicated you were able to try and run. What's the  
14 very next thing that happened?

15 A. Um, one of them grabbed me real hard by the -- they had me  
16 by the neck, like putting their nails in me and everything. So  
17 when they -- when somebody grabbed me by the neck, they, they  
18 got me in a great -- in a good bear hug. When they got me in a  
19 good bear hug they kind of like pulled a wrestling move. They  
20 call it a suplex. And he suplexed me backwards. And when he  
21 suplexed me backwards, I fell on my neck. And he was kind of  
22 like under me too.

23 And somebody grabbed me by my legs. Somebody  
24 literally grabbed me by my legs and started dragging me. My  
25 drawers came off, everything, and they got me in between cars.

1 So somebody still hitting me with something. So like I kind of  
2 like did a little move, and then -- I, I know who these are now  
3 due to, you know, me finding out -- officer with the asp, he  
4 tried to like stab me with it. He tried to stab me with the  
5 asp, because he had the asp. The point of it was sharp. You  
6 know. First I thought it was a knife. For a long time I  
7 thought it was a knife. But it was actually the asp. And when  
8 he hit me with it, it stuck in my forearm. It got --

9 Q. Could you describe -- you are in between cars at this  
10 point. Is that right?

11 A. Mm-hmm, yeah.

12 Q. And you indicated that someone tried to stab you.

13 A. Yeah, somebody tried to stab --

14 Q. Could you describe exactly what happened.

15 A. Well, they both, they, all three of them can't really get  
16 at me. One officer trying to kick me in my face. Right. He's  
17 coming over me, with another officer -- he's on me with the asp  
18 and trying to stab me. I put my arm up like this, and it hit  
19 me like a few times. And then it got stuck in my arm. When it  
20 got stuck in my arm, I grabbed him. And basically I'm hearing  
21 like, yo, what are you doing, we calling the police. And  
22 somebody say, I -- we are the police. And then the officer is  
23 like telling me to let him go, let me go. And I'm like, yo,  
24 what are you doing, like you're trying to kill me. And then  
25 that's when he's like, yo, let him go, let him go, and he's

1 trying to come over to the other officer who kicked me in my  
2 face. And when he pulled the spray out, and I was like, yo, I  
3 got asthma, man, you know what I'm saying, don't spray me with  
4 that. And he just sprayed me in my face, all in my face, and  
5 he kept on beating me and everything. So that's when the other  
6 officer came behind. He was behind me now. I'm in between  
7 cars. My pants is down. I got an officer on me. I'm holding  
8 him. And I got another one spraying me, and he's like, you  
9 know, be easy, a flatfoot, something like that, like, to let  
10 him know that a blue-and-white pulled up.

11 So when the blue-and-white pulled up, they exhausted,  
12 like, like, they are sweating, I'm blood -- my blood is all  
13 over them. And none of them bleeding. Every blood that's  
14 everywhere is my blood.

15 So now I'm trying to make sense of them, like I'm  
16 asking them, like, you know, what did I do, you know what I'm  
17 saying, what's going on. And, you know, I could tell like, you  
18 know, that they basically, they overstepped their boundaries  
19 with this one. So I'm basically like, yo, just let me go. You  
20 know what I'm saying. Let me go.

21 Q. Let me stop you there. Did you, from the time you were  
22 knocked in the head until the time you're describing right now  
23 between the cars, did you yourself initiate any physical  
24 contact with the officers?

25 A. I never, I never even threw a punch, because I didn't know

1 if they had guns on them. Like I didn't know what to do. I  
2 didn't know why I was down there, if somebody was, you know,  
3 putting a hit out on me. I didn't know what was going on.

4 Q. Before the time that you knew that the attackers were  
5 police officers, did you do anything?

6 A. Nothing. I went down. I was hit in the back of the head.  
7 I was -- there was nothing I could do. I was, I was like -- I  
8 was knocked out.

9 Q. Did you say anything?

10 A. Uh-uh, I didn't say anything.

11 Q. Did the attackers say anything? Did you hear them say  
12 anything?

13 A. I heard them saying I'm paying for dinner and that I don't  
14 have a gun on me.

15 Q. OK. Now, going back to the way you're in between the cars  
16 and you indicated that you were -- you thought you were trying  
17 to be -- someone was trying to stab you.

18 A. No, somebody --

19 Q. At that point.

20 A. Yeah. Somebody *did* stab me.

21 Q. What happened?

22 A. Well, like I said like -- when they -- whoever dragged me  
23 in between the -- like they dragged me in between the cars and  
24 dragged my clothes off, right now I know what officers did  
25 what. But when they dragged me in between cars because they --

1 somebody, I guess, even then, you know, somebody was screaming  
2 out the window like, yo, what are you all doing, what are you  
3 all doing. So they tried to put me in a blind spot between the  
4 cars. So when they got me like in between the cars, I did a  
5 little flip thing with my leg, and I landed the other way. And  
6 that's when the other officer that had the thing that was  
7 hitting me -- when I did the little flip thing he was trying to  
8 hit me in my head. And I spin't around, like I got my foot up.  
9 And then he, like he started stabbing me with it. And then I'm  
10 like, I blocked it a few times. It hit me in my arm a few  
11 times. Then it lodged in my arm. It went inside my arm. And  
12 I kind of like grabbed him. But while I'm grabbing him, his  
13 partner is like coming, trying to come, bring me -- I'm in  
14 between cars. He's coming over him trying to like, with his  
15 heel, trying to like hit me in my face. And I'm like, you  
16 know, I'm trying to make sense of it.

17 Then when I hear that they're police, I'm really, I'm  
18 actually scared now. I'm like, you're the police. You know,  
19 you know, what's going on. But when the blue-and-white pulled  
20 up and the other officer came and they sprayed me, one of them  
21 turned me around, my pants is still down. My, my, my -- all my  
22 stuff is out. And handcuffs me from behind. Handcuffs me from  
23 behind. I'm sitting there on the floor. And they pick me up.  
24 And when they picked me up, they like kind of like apologetic  
25 in a kind of way. Now they see the gray in my beard. You know

1 what I'm saying. I'm not no young black male that you're  
2 looking for, or that you like to target. That's not me.

3 A. You know what I'm saying. So he's looking.

4 MR. PASSESER: Objection.

5 THE COURT: Yes.

6 A. Victor Charles says, like I know --

7 THE COURT: Stop, stop, stop. I'm striking the  
8 testimony about men they like to target, which is not at all  
9 responsive to the question you're asking. You may ask another  
10 question.

11 Q. You indicated a blue-and-white. What do you mean?

12 A. A regular blue-and-white, a marked car, that somebody  
13 called the police. Somebody -- the police showed up because  
14 somebody called them and said somebody was being assaulted  
15 outside.

16 Q. And so what happened after that police car, you saw that  
17 police car?

18 A. They, they, they stopped beating me. They stopped beating  
19 me. And then they started doing damage control. They, they  
20 literally started doing damage control. They, you know, it was  
21 no more hitting me, no more -- now they trying to assist me on,  
22 um, Victor Charles went to go look for my phone because I was  
23 like, yo, my phone was in my hand. So he went, because it was  
24 so black, and he went and got my phone and gave me my phone  
25 back. He gave me my phone.

1 Q. With respect to when you're in between the cars, did you  
2 have any injuries at this point?

3 A. I'm bleeding all over the place, man. My eye is closed.  
4 My head is swollen. My arm is bleeding. I got scratches all  
5 over my neck. I'm plunging.

6 Q. How did you feel?

7 A. I felt badly.

8 Q. OK. So after the blue-and-white came and you had some  
9 interaction, verbal interaction with the men who you now knew  
10 now were police officers, what's the next thing that happened?

11 A. The next thing that happened, the officer in the  
12 blue-and-white puts me in the back of the vehicle. When he  
13 puts me in the back of the vehicle, Agate gets in the back of  
14 the vehicle with me, you know what I'm saying. He gets back  
15 there with me and he basically starts telling me, like, you  
16 know, listen, this is what we going to do now. The ride seems  
17 longer than what it should be, because I know the precinct is  
18 right here. So I'm in the car for about 15, 20 minutes.

19 Q. Let me stop you there again. Earlier you mentioned, you  
20 stated the name Victor Charles.

21 A. Yeah.

22 Q. Do you see Victor Charles in the courtroom?

23 A. I see Victor Charles, Ruiz, and Agate.

24 Q. Did you see any of them on May -- during the early morning  
25 hours of May 22 when you were on 102nd Street?

1 A. Yes. I seen their boot, seen their sticks, seen their  
2 spray. I ain't see their badge.

3 Q. You were placed in what you called the blue-and-white. Is  
4 that right?

5 A. Mm-hmm, yeah.

6 Q. And you were ultimately taken to the precinct.

7 A. Yes.

8 MR. BOYLE: Your Honor, may I have a moment?

9 THE COURT: You may.

10 MR. BOYLE: Thank you.

11 THE WITNESS: When I got to the precinct --

12 THE COURT: No, no, sir, you have to only answer after  
13 there's a question asked. Thank you. He's taking a moment to  
14 go through stuff.

15 MR. BOYLE: May I show some exhibits to counsel?

16 THE COURT: Yes.

17 MR. BOYLE: May I approach the witness, your Honor?

18 THE COURT: You may.

19 Q. Showing you what's been marked as Plaintiff's 31 and 32 for  
20 identification.

21 MR. PASSESER: I think it's 32 and 33.

22 MR. BOYLE: 31 and 32.

23 MR. PASSESER: OK.

24 Q. Directing your attention to Plaintiff's 31 --

25 THE COURT: May I stop you for a moment, sir.

1 MR. BOYLE: Yes, your Honor.

2 THE COURT: Do you object to their introduction?

3 MR. PASSESER: Are they being introduced right now?

4 THE COURT: I assume they are.

5 MR. BOYLE: Yes.

6 THE COURT: He was going to ask a series of questions.  
7 I didn't know if we could short-circuit that.

8 MR. PASSESER: Yes.

9 THE COURT: They are admitted into evidence. Thank  
10 you.

11 MR. BOYLE: Move Plaintiff's Exhibit 31 and 32 into  
12 evidence. Thank you, your Honor.

13 THE COURT: OK.

14 (Plaintiff's Exhibits 31 and 32 received in evidence)

15 Q. What is depicted in Plaintiff's 31?

16 A. That's southbound, 102nd Street, south, going from Second  
17 to Third Avenue. That's the path that I was walking up, going  
18 towards the train station. This, this heads to the train  
19 station.

20 I mean, minus the construction. The construction  
21 wasn't there at that time.

22 Q. And what's in Exhibit 32?

23 A. Exhibit 32 is basically where the, where the -- where the  
24 path starts at. You cross the street and you have to, you got  
25 to walk up this way to get to the avenue. You got to. Then --

1 or you're trespassing when you walking up.

2 MR. BOYLE: Your Honor, can I -- I'm going to ask  
3 Mr. Jenkins some questions about the photos. Is it all right  
4 if he steps in front of the -- comes in front of the jury? I  
5 want him to point to certain locations on them. But we can try  
6 it from here.

7 THE COURT: Yes. Do you have a copy --

8 MR. PASSESER: Use the Elmo?

9 THE COURT: That was the thought. But I don't know if  
10 he should stay here. Is there another version of the exhibit  
11 that you can place on the Elmo?

12 THE WITNESS: I can mark it and I can show it to him.

13 MR. BOYLE: May I consult with Mr. Oliver, your Honor?

14 THE COURT: Of course.

15 MR. BOYLE: We can start with that.

16 THE COURT: OK.

17 MR. BOYLE: Maybe if I can step to the -- I don't want  
18 to put my back to the Court.

19 THE COURT: That's all right. I'm more concerned  
20 about defense counsel not being able to see.

21 MR. PASSESER: I can alleviate that, your Honor.

22 THE COURT: All right. We'll see how this works.

23 Q. OK. Directing your attention to Plaintiff's Exhibit 31. I  
24 would ask you to hold it up. Is there anything different about  
25 what's depicted in that photo than the way the sidewalk

1 appeared on the early morning hours of May 22, 2010?

2 THE COURT: He mentioned construction. Is that what  
3 we're seeing?

4 Q. So this construction on the far right side, that was not  
5 there?

6 A. And this parking place right here wasn't there either. The  
7 parking.

8 (Continued on next page)

1 Q. Indicating the yellow barrier?

2 A. That wasn't there, either, and this wasn't there. This is  
3 the Second Avenue train station. They were building a train  
4 station there.

5 Q. Is the area where you were struck in the head depicted on  
6 that photograph, Plaintiff's 31? Could you just point to where  
7 you were?

8 A. Right here, right here, right here.

9 Q. About how many feet from the yellow barrier were you when  
10 you were struck in the head?

11 A. Maybe 20 feet, maybe 20 feet, 30 feet.

12 MR. BOYLE: Thank you, your Honor.

13 BY MR. BOYLE:

14 Q. And showing you Plaintiff's Exhibit 32, is the area where  
15 you were struck in the head depicted in that photograph?

16 A. Yes.

17 Q. Where is it? Could you point to it.

18 A. It is right here.

19 Q. Indicating the far-right side of the photograph?

20 A. Yes.

21 Q. I just want to show you Exhibit 31 again.

22 Directing your attention to about three quarters of  
23 the way to the top of the photograph, do you see this little  
24 opening --

25 A. Yes.

1 Q. -- there?

2 A. Yes.

3 Q. Where does that lead? Where does that lead?

4 A. You can go to 230.

5 THE COURT: By "230," are you speaking of building?

6 THE WITNESS: Building, yes. It is a pathway you cut  
7 through, and say you want to go through 101st Street, you cut  
8 through there.

9 BY MR. BOYLE:

10 Q. Any time in the early morning hours of May 22nd, 2010, did  
11 you enter that pathway?

12 A. No, I didn't.

13 MR. BOYLE: Your Honor, may I consult.

14 THE COURT: Yes.

15 (Off-the-record discussion)

16 MR. BOYLE: Your Honor, plaintiffs move Exhibit 33, a  
17 photograph, into evidence.

18 MR. PASSESE: No objection.

19 THE COURT: It is admitted.

20 (Plaintiff's Exhibit 33 received in evidence)

21 MR. BOYLE: Your Honor, with the court's permission, I  
22 will give a try at the Elmo.

23 THE COURT: Okay.

24 (Pause)

25 BY MR. BOYLE:

1 Q. Mr. Jenkins, does the photograph appear on your monitor?

2 A. Yes, it do.

3 MR. BOYLE: Your Honor, if I could ask the jurors if  
4 it appears on the monitor?

5 THE COURT: Yes, they have nodded.

6 BY MR. BOYLE:

7 Q. Are you familiar with what is depicted in this photograph?

8 A. Yes, it is 102nd Street, the southbound side from the  
9 Second and Third Avenue. That is the way the cars park there,  
10 the parking.

11 Q. On the early morning hours of May 22, 2010, were the cars  
12 parked in the manner depicted in this photograph?

13 A. Yes.

14 Q. You're not saying, of course, that this photo was taken on  
15 May 22, 2010. Is that right?

16 A. Yes.

17 Q. You indicated in your testimony that you were at one point  
18 dragged between cars?

19 A. Yes.

20 Q. Were the cars parked similarly to where they are in this  
21 particular exhibit before you?

22 A. Yes.

23 Q. Now, directing your attention back to when you were placed  
24 in what you call the blue and white --

25 A. Ah-huh.

1 Q. -- what is the next thing that happened? Were you taken to  
2 the precinct?

3 A. I was taken to the precinct.

4 Q. What, if anything, happened when you got to the precinct?

5 A. When I got to the precinct, I was brought in and I was --  
6 prior to that I was told basically that if I wanted a DAT.

7 Q. What do you mean by DAT?

8 A. Desk offense ticket for disorderly conduct. I was told  
9 basically when I see the desk sergeant, tell the desk sergeant  
10 I -- (inaudible) This is how the police found me.

11 Q. Who told you that?

12 A. Agate

13 Q. You're referring to the defendant Agate?

14 A. Agate.

15 Q. What happened after you were told that?

16 A. I was brought in front of the sergeant where I was  
17 basically told that I was being arrested for resisting arrest,  
18 and then he asked me what happened. I said well, some Spanish  
19 guys jumped me and the police came along. That was basically  
20 it. Then I was taken.

21 Q. Let me stop you there.

22 MR. BOYLE: May I have a moment, your Honor?

23 THE COURT: Yes.

24 (Pause)

25 MR. BOYLE: May I consult.

1 (Off-the-record discussion)

2 MR. BOYLE: Your Honor, plaintiffs move Plaintiff's  
3 Exhibit 6 previously marked for identification into evidence.

4 MR. PASSESER: No objection.

5 THE COURT: It is admitted.

6 (Plaintiff's Exhibit 6 received in evidence)

7 MR. BOYLE: May I approach the witness?

8 THE COURT: You may.

9 BY MR. BOYLE:

10 Q. Mr. Jenkins, directing your attention to the picture in  
11 that exhibit, does that fairly and accurately show what you  
12 looked like on May 22, 2010?

13 A. Yes.

14 (Pause)

15 THE COURT: Mr. Hassen, I do it, not you.

16 (Pause)

17 BY MR. BOYLE:

18 Q. Mr. Jenkins, when was this photo taken on the first page of  
19 Plaintiff's Exhibit 6?

20 A. That was taken right after the police brought me to the  
21 precinct, when they brought me there.

22 Q. Was that before or after you saw the desk sergeant?

23 A. This is after I was pedigreed.

24 THE COURT: Sorry?

25 BY MR. BOYLE:

1 Q. What do you mean by "pedigreed"?

2 A. Tell me what I'm being arrested for, like they got a  
3 pedigree when you come in, tell you why you are being arrested  
4 and they ask you if you need medical attention.

5 THE COURT: Can I ask you a question. When you came  
6 in, they asked you questions about your name, yes?

7 THE WITNESS: Yes.

8 THE COURT: Your address and things of that nature, is  
9 that what you understand to be pedigree information, your  
10 information about yourself and your personal information?

11 THE WITNESS: Yes.

12 THE COURT: At that same time, are they taking your  
13 photograph?

14 THE WITNESS: Yes.

15 THE COURT: Did that take place before or after you  
16 met with the sergeant?

17 THE WITNESS: That took place around the same time.  
18 He was questioning me while they were putting me up against the  
19 gate. So it could have been before or after. I couldn't  
20 remember. I know during that time all that was being asked,  
21 pictures were being taken.

22 THE COURT: Is that in the early on when you were  
23 brought to the precinct?

24 THE WITNESS: Yes.

25 THE COURT: Thank you, Mr. Boyle.

1 MR. BOYLE: Thank you, your Honor.

2 BY MR. BOYLE:

3 Q. Showing you now what is on the Elmo, the second page of  
4 Plaintiff's Exhibit 6, do you see the photo depicted,  
5 Mr. Jenkins?

6 A. Yes.

7 Q. When was that taken?

8 A. That picture was taken on May 22, 2010.

9 Q. Was that taken also just around the time you spoke to the  
10 desk sergeant?

11 A. Yes.

12 Q. Does that show what you were wearing on the night of May  
13 22, 2010?

14 A. No, it doesn't.

15 Q. You are wearing some outerwear there, correct?

16 A. I can't see it. It is blacked out. I can't see what I'm  
17 wearing.

18 Q. Was that what you had on on that night?

19 MR. PASSESE: Objection.

20 A. I can't see the picture.

21 THE COURT: Let me ask you this, sir. Is it --

22 (Multiple voices)

23 THE COURT: I get to speak. What you're saying is you  
24 can't tell from the quality of the picture --

25 THE WITNESS: Right.

1 THE COURT: -- whether it shows what you were wearing  
2 that night or not?

3 THE WITNESS: That is what I am saying.

4 THE COURT: Fine. That is your answer.

5 MR. BOYLE: Thank you, your Honor.

6 BY MR. BOYLE:

7 Q. Now, directing your attention to the left side of the  
8 monitor, Mr. Jenkins, you indicated that you were told you were  
9 being arrested for resisting arrest?

10 A. Yes, when I first entered the precinct, yes.

11 Q. It indicates on this exhibit that the top charge against  
12 you was resisting arrest. Is that right?

13 A. Yes.

14 Q. That was told to you on the night of May -- early morning  
15 hours of May 22, 2010. Is that right?

16 A. It was about when I was brought to the precinct.

17 Q. By this time, and now directing your attention to the time  
18 when these photographs were taken and you're appearing with the  
19 desk sergeant, were you ever told that you were being charged  
20 with possession of crack cocaine?

21 A. No.

22 Q. Were you ever told that you were being charged with assault  
23 of a police officer?

24 A. No.

25 Q. Were you ever told that you were being charged with

1 possession of marijuana?

2 A. No.

3 Q. After saw the desk sergeant and what you described as your  
4 pedigree was taken, what happened next?

5 A. I was put in a cage and standing in behind or standing in  
6 front of, they put me in a cage. I didn't see Officer Ruiz any  
7 more and I didn't see Officer Charles any more.

8 Agate kept coming back and he basically was like, you  
9 know, we just going to get you for DAT, man, like yo, you're a  
10 big guy. It took us a while to get at you, know what I am  
11 saying? Yo, what kind of push ups? I am, basically I am  
12 afraid, you know what I am saying because I'm like, like I got  
13 beat up by a gang and they took to their clubhouse.

14 What am I going to do, you know? It stated to the  
15 point where I am not -- (inaudible) to it, either.

16 Q. How were you feeling at this point?

17 A. Man, like, like, like, like, like my true feelings at the  
18 time like bothered me, you know what I am saying. I kept  
19 telling the officers, yo, man what did I do? I am about to  
20 have a son. I kept saying that, I am about to have a son, you  
21 know? They didn't care. I am talking about the part where  
22 they beat me. You trying to kill me, man, you're trying to  
23 kill me. They're trying to kill me for nothing.

24 Q. Did you have any injuries at this time?

25 A. Yeah, my head was swollen. You see the pictures, my face

1 was swollen, my head was big. I am bleeding all over the  
2 place.

3 Q. Showing you once again Plaintiff's Exhibit 6, the first  
4 page. You indicated earlier that your eye was swollen. Is  
5 that your left eye was swollen? Does that indicate in this  
6 picture, does that show your left eye?

7 MR. PASSESER: Objection.

8 THE COURT: Sir, he never testified what eye was  
9 swollen. Please don't testify for him.

10 MR. BOYLE: I am sorry, your Honor. You're quite  
11 right.

12 BY MR. BOYLE:

13 Q. You indicated an eye, an eye was swollen. Which eye was  
14 swollen?

15 A. My left eye.

16 Q. In Plaintiff's Exhibit 6, does that show your eye after the  
17 incident on the street on May 22nd, 2010?

18 A. Yes.

19 Q. You indicated earlier there came a time when your phone was  
20 returned to you?

21 A. Yes.

22 Q. Did you make any phone calls?

23 A. Yes, I did. I made -- I called -- well, Agate brought my  
24 phone. Well, he was trying to give me my phone in the police  
25 car. I was handcuffed from behind.

1           When I got in, he put my phone back together and gave  
2           it to me and he said yo, call your PO and tell him that you are  
3           basically jumped by some Spanish guys and that we came along.  
4           He was standing right there. I called my PO and exactly what I  
5           told my PO what he told me to tell him, I told my PO that.

6           My PO, I told him on voicemail. His voicemail picked  
7           up. After that he left, he left me with my phone.

8           THE COURT: He who, sir?

9           THE WITNESS: Officer Agate. Agate, he left and tell  
10          me like, we going to get you out of here and he keeps telling  
11          me to refuse EMS because they get me out quicker if I said no  
12          to everything.

13          So I don't know, my son is being born, she is going  
14          into labor. I telling him everything, that is cool. I called  
15          a friend of mine. When I called a friend of mine, I get his  
16          answering machine, but I tell him, look, police beat me up,  
17          wild on me, and they got me up in the precinct. They're acting  
18          like they're not trying to let me go. I left that on his  
19          voicemail, and I think I tried to call my cousin because I  
20          wanted to check on her because she was out there.

21          Like she didn't pick her phone up because her phone  
22          was dead.

23          Q. What cousin?

24          A. Cousin Hamilton.

25          MR. PASSESE: I move to strike because her phone was

1 dead.

2 THE COURT: Exactly. That is not for you to say.  
3 Strike the last part.

4 JUROR: May I go to the bathroom?

5 THE COURT: Just give us a moment. Can you finish  
6 this little section so we can take a moment?

7 MR. BOYLE: Yes.

8 THE COURT: Please do and we'll take a brief morning  
9 break.

10 BY MR. BOYLE:

11 Q. While you were at the precinct, did you request any medical  
12 attention?

13 A. No.

14 Q. Why not?

15 A. I get beat up by a gang and they take me to their  
16 clubhouse. I don't seek refuse nothing there. My thing is I  
17 am trying to do everything exactly. I want to leave. At that  
18 time I just wanted to leave. I would have accepted assault and  
19 everything to let me go.

20 THE COURT: All right. Let's take a break. Thank  
21 you. Five minutes.

22 (Jury excused)

23 THE COURT: All right. You have five minutes as well.  
24 Mr. Boyle, lead less. Thank you. Your adversaries are not  
25 opposing to the very long narrative answers; and, therefore, I

1 am not stopping. I think they can be a little bit more  
2 bite-sized. I think you want to lead to finish the testimony?

3 MR. BOYLE: Yes.

4 THE COURT: I am noting the length of the answers.

5 MR. BOYLE: Yes. I understand the court's question on  
6 leading. That is in part trying to move it along and I am  
7 aware of it and I will do my best not to overstep those bounds.

8 THE COURT: Okay. All right. See you in five  
9 minutes. Thank you.

10 (Recess)

11 (Jury present)

12 THE COURT: Mr. Jenkins, why don't you come back to  
13 the witness stand, please.

16 MR. BOYLE: Thank you, your Honor.

10 BY MR. BOYLE:

11 Q. Under what circumstances did you see Stacey Richman?

12 THE COURT: Could you be more specific?

13 MR. BOYLE: Sure.

14 BY MR. BOYLE:

15 Q. Where did you see Ms. Richman?

16 A. She came in in the back and I had a private prior to being  
17 arraigned, and a lawyer-client with her.

18 THE COURT: This was at MDC or at a courthouse?

19 THE WITNESS: This was at the courthouse at the time.

20 MR. BOYLE: Thank your Honor. That was my next  
21 question.

22 THE COURT: Excuse me.

23 BY MR. BOYLE:

20 MR. BOYLE: I will go straight to the Elmo, with the  
21 court's permission?

22 THE COURT: Yes, sir.

23 (Pause)

24 THE COURT: Do you see that, sir?

25 THE WITNESS: Yes.

1 BY MR. BOYLE:

2 Q. Showing you the first page of Plaintiff's Exhibit 8,  
3 Mr. Jenkins -- and I understand you don't see the whole  
4 thing -- have you ever seen this document before?

23 basically used to start to --

24 MR. PASSESER: Objection.

25 THE COURT: I am not going to have him testify as an

1 expert witness on felony complaints. The document speaks for  
2 itself and can be shown to the jury if need be. Thank you.

3 MR. BOYLE: Okay.

4 BY MR. BOYLE:

5 Q. This document, directing your attention to the paragraph  
6 exhibited on the screen after the word "circumstances:" it  
7 says, "Deponent observed the defendant place the defendant's  
8 hands on the body of police, PO Ramiro Ruiz, Shield 7987, and  
9 push PO Ruiz with the defendant's hands."

10 MR. PASSESER: That is not a question.

11 MR. BOYLE: I will pose a question.

12 THE COURT: Please don't read the entire complaint  
13 into the record. Thank you.

14 BY MR. BOYLE:

15 Q. The deponent in this document is Victor Charles. Is that  
16 right?

17 MR. PASSESER: Objection.

18 THE COURT: Now you have to stop. Sir, do you see  
19 this document? Do you know what a deponent is?

20 THE WITNESS: Yes, ma'am.

21 THE COURT: You understand the deponent is the person  
22 makes the statements contained in the complaint?

7 ready, your Honor -- directing your attention to the first  
8 paragraph, it is not a complete paragraph, on the evening of  
9 the night of May 22nd, 2010 on 102nd Street, did you strike  
10 Victor Charles, Officer Ruiz and Police Officer Agate about the

12 MR. PASSESER: Objection.

13 THE COURT: I will let him ask that question.

14 MR. PASSESER: Compound.

9 THE COURT: Okay.

10 BY MR. BOYLE:

11 Q. What were those conditions?

12 A. 30,000 and 10,000.

13 Q. What does that mean?

14 A. Meaning that my bail is 30,000, equivalent of 30,000 on the

24 injuries because --

25 Q. Without saying what Ms. Richman said to you, did you do

1 anything after speaking to Ms. Richman?

2 A. She asked me --

3 THE COURT: No, no. The point is we don't want to get  
4 into your conversations with her because she is your lawyer.  
5 There may be a privilege in those communications.

6 After your conversation with Ms. Richman, what did you  
7 do, if anything?

8 THE WITNESS: I gave her my wallet.

9 BY MR. BOYLE:

10 Q. Where did you get your wallet from?

23 A. Yes, my wallet and the contents that was in it.

24 Q. From when?

25 A. From the time that I gave it to Stacey.

6 A. Yes.

7 MR. BOYLE: I move Plaintiff's Exhibit 10 into  
8 evidence.

9 MR. PASSESER: I am not sure what the relevance is.

10 THE COURT: I will allow it. It is admitted.

11 (Plaintiff's Exhibit 10 received in evidence)

12 MR. BOYLE: Thank your Honor. I will retrieve the  
13 exhibit and go over to the Elmo again.

14 THE COURT: Do you have any questions about the  
15 exhibit?

16 MR. BOYLE: I just want to show him one.

17 THE COURT: One?

18 MR. BOYLE: One.

19 (Pause)

20 THE COURT: Do you have that in that orientation, sir?

21 MR. BOYLE: If I can figure out how to move it.

22 THE COURT: I didn't know if you could move the page.  
23 That is why I am the Judge, yes.

24 MR. BOYLE: Thank you, your Honor.

25 THE COURT: Do you see it on the screen, sir?

1 THE WITNESS: Yes.

2 THE COURT: Thank you.

20 THE WITNESS: I go to Manhattan Men's Detention.

21 THE COURT: MDC, sir?

22 THE WITNESS: MDC, Manhattan detention for men.

23 BY MR. BOYLE:

24 Q. Did you get to the Manhattan Detention Center for men?

25 A. At that time I was stopped.

1 Q. What happened when you were stopped? What do you mean by  
2 that?

3 A. Because the court officers, they transfer you over to the  
4 taking officers. That is the COs, you have court officers and  
5 COs that they --

6 Q. What do you mean by CO?

7 A. They're all correction officers, but one is a court officer  
8 and the other one is a guard. So after you being arraigned,  
9 you will be held on bail, you don't make the bail, they have to  
10 transfer you over to the officer that will detain you.

11 THE COURT: You're with the court officer, and he  
12 hands you off to another officer?

13 THE WITNESS: Yes, you walk to a bridge and they give  
14 you your court papers and they process you into the detainment  
15 where you will be detained until you go to trial.

16 BY MR. BOYLE:

17 Q. Did that happen to you that night?

18 A. Yes.

19 Q. What, if anything, happened?

5 waiting for me.

6 Q. When you say "Internal Affairs," what do you mean?

7 A. Internal Affairs, any time --

8 Q. What is it?

9 THE COURT: What is it? Not why are they there.

10 What is it?

11 THE WITNESS: Internal Affairs, I can tell you what  
12 Internal Affairs is.

13 THE COURT: Are they part of the NYPD, sir?

14 THE WITNESS: Yes, part of the NYPD.

15 BY MR. BOYLE:

16 Q. Did you speak to them?

17 A. Yes, I did.

18 Q. Prior to speaking to who you understood to be from Internal  
19 Affairs at Bellevue, did you receive any medical attention?

20 A. Internal Affairs has the nurses there and they were  
21 cleaning me up. They made me think that is what they wanted --

22 THE COURT: Sir.

23 MR. PASSESER: Objection.

24 THE COURT: The jurors are advised to disregard that  
25 answer. I want you to answer the question he is asking. Did

11 wiped the blood off my neck and then she wiped the blood off my  
12 arms to clean me up. That is what she did.

13 Q. Then what happened?

14 A. Then Internal Affairs started taking pictures.

15 MR. BOYLE: May I have a moment, your Honor?

16 THE COURT: Yes.

17 (Pause)

18 MR. BOYLE: May I consult?

19 THE COURT: Yes.

20 (Off-the-record discussion)

21 MR. BOYLE: Your Honor, at this time plaintiffs move  
22 into evidence plaintiff's exhibits previously marked for  
23 identification 23, 24 and 25.

24 MR. PASSESER: No objection.

25 THE COURT: They are admitted. Thank you.

1 (Plaintiff's Exhibits 23, 24 and 25 received in

6 (Pause)

7 (Off-the-record discussion)

8 THE COURT: Counsel, it might be easier to pass the  
9 pictures to the jury.

10 MR. BOYLE: It might be, your Honor. I am sorry. I  
11 am trying to eliminate some of the glare.

12 MR. BOYLE: May I approach the witness?

13 THE COURT: You may, of course.

14 BY MR. BOYLE:

15 Q. I am showing you Plaintiff's Exhibit 25 first. Do you  
16 recall when was that taken?

17 A. It was taken when I was at Bellevue, when Internal Affairs  
18 took my picture.

19 Q. That is a picture of you?

20 THE COURT: Speak up, sir.

21 A. Yes, that is a picture of me.

22 BY MR. BOYLE:

23 Q. What does it depict?

24 A. A hooded jacket that I had on and I had -- (inaudible) and  
25 it shows the puncture wound when the object went through my

1 arm.

2 MR. BOYLE: May the exhibit be published to the jury,  
3 your Honor?

4 THE COURT: It may.

5 (Pause)

6 BY MR. BOYLE:

7 Q. I am showing you now Plaintiff's Exhibit 24. Is that also  
8 a picture of yourself, Mr. Jenkins?

9 A. Yes.

10 Q. What does it depict?

11 A. It depicts the back of my head.

12 Q. When was that picture taken?

13 A. This was taken at Bellevue Hospital, too.

14 MR. BOYLE: May that be published to the jury, your  
15 Honor?

3 MR. BOYLE: May that be published to the jury, your  
4 Honor?

16 Q. Can you speak --

17 A. A sweater that I have on.

18 Q. Other than that, and please turn it so the jury can see it,  
19 can you point to where the sweat hood as you described it is.

20 A. It is right there.

21 Q. Other than that article of clothing, the sweat hood and the

1 THE COURT: Lead less, counsel. You may answer the  
2 question, sir.

3 A. My son was born.

4 BY MR. BOYLE:

5 Q. Now, you were still on parole, is that right, on May 22nd?

9 When he came to see me, he announced he was violating me --

10 MR. PASSESER: Objection.

11 MR. BOYLE: I'll do it differently.

12 THE COURT: A different way, you're saying?

13 MR. PASSESER: Yes.

14 THE COURT: Yes.

15 MR. BOYLE: I'll try it a different way. May I have a  
16 moment?

17 THE COURT: Yes. The jury is to disregard that last  
18 answer. Thank you.

19 (Pause)

20 MR. BOYLE: May I have a moment, your Honor?

21 THE COURT: Yes.

22 (Off-the-record discussion)

23 MR. BOYLE: This would need to be marked.

24 THE COURT: This is an excerpt from an earlier  
25 exhibit?

1 MR. BOYLE: Yes.

2 THE COURT: That is fine.

3 MR. BOYLE: I have some stickers, but --

4 THE COURT: What do you want? Write something on  
5 there. Let's give it a number.

6 MR. BOYLE: Yes.

7 THE COURT: Mr. Oliver, what is the next number?

8 MR. OLIVER: It will be 34.

9 MR. BOYLE: No. It is 35.

10 MR. OLIVER: It is 35.

11 (Plaintiff's Exhibit 35 was marked for identification)

12 BY MR. BOYLE:

13 Q. Mr. Jenkins, showing you what has been marked for  
14 identification as Plaintiff's 35 and 36 --

15 MR. BOYLE: And for the record, your Honor, this would  
16 be Bates No. 331 and 303.

17 THE COURT: Okay. My friends in the back table, is  
18 there an objection?

19 MR. PASSESER: No. I want to make sure 331 is 35 and  
20 303 is 36? I am asking which?

21 MR. BOYLE: Yes.

22 MR. PASSESER: Yes.

23 THE COURT: They are admitted into evidence. Thank  
24 you.

25 (Plaintiff's Exhibits 35 and 36 received in evidence)

1 BY MR. BOYLE:

2 Q. Showing you what has been marked as Plaintiff's 35 and 36,  
3 Mr. Jenkins, have you ever seen those documents before?

4 A. Yeah, I seen them before.

5 Q. Under what circumstances did you see them?

6 A. The paperwork is more than this.

7 Q. Under what --

8 THE WITNESS: It was given to me like this.

9 THE COURT: That is not my question. Did your parole  
10 officer --

11 THE WITNESS: My parole officer gave them to me.

12 BY MR. BOYLE:

13 Q. In general, what do those documents refer to?

14 A. This is not what he gave me when he came to see me.

15 Q. Directing your attention to those documents which are  
16 before you, what do they refer?

17 A. He didn't give me that when he came to see me. That wasn't  
18 part of the documents he gave me. I seen them before. Talking  
19 about the time the parole officer came to see me in the tombs,  
20 there was more documents than this.

21 THE COURT: The jury is instructed to disregard that.  
22 Sir, let me try this. That do you have in your hand? What is  
23 it?

24 THE WITNESS: That is a bureau report.

25 THE COURT: May I see it? Does it indicate a

1 suggestion of a violation?

2 THE WITNESS: Yes, ma'am.

3 THE COURT: And is that something you got from your  
4 parole officer?

5 THE WITNESS: That is what happened. I am saying this  
6 is not what he gave me. He gave me a bunch of piece of papers,  
7 arrest record, felony complaint, he gave me this, he gave me a  
8 whole lot of piece of papers. It is not like he gave me this.

9 THE COURT: I understand that.

10 THE WITNESS: He didn't give me this.

11 THE COURT: That came later?

12 THE WITNESS: I got this through discovery.

13 THE COURT: Okay. The issue, sir, is the Federal  
14 Rules of Evidence limit in some ways or restrict in some ways  
15 the ability that you have to talk about what someone else said.

16 So rather than doing that and running afoul of the  
17 rules of evidence, what we're asking you is would this public  
18 document, does it indicate there was an intent or an effort  
19 made to violate you or to suggest you had violated the  
20 conditions of your parole?

21 THE WITNESS: You asked me a question. Can I answer  
22 it outside of the jury? It is way more complicated. What he  
23 is asking me is did he give me this document right here and did  
24 he give me this document right here. I am saying no, these are  
25 not the documents he gave me. That is why I am vague right now

1 under oath.

2 THE COURT: I understand. My question to you is --

3 THE WITNESS: Were these one of --

4 THE COURT: You have to let me ask the question.

5 My question to you is did your parole officer give you  
6 documents and materials that indicated you were going to be  
7 charged with or someone is going to allege you had violated the  
8 conditions of your parole?

9 THE WITNESS: Yes.

10 THE COURT: Thank you.

11 BY MR. BOYLE:

12 Q. Did you have a conversation with Mr. Watkins -- without  
13 saying what Mr. Watkins said -- did you have a conversation  
14 with him?

15 A. He served as my parole officer.

16 Q. As a result of that, did your parole status change?

17 A. Yes.

18 Q. How did it change?

19 A. The law gets me because of my arrest.

20 MR. PASSESER: Objection. I move to strike that.

21 THE COURT: Yes, that answer will be stricken.

22 MR. BOYLE: I am just marking another exhibit to show  
23 counsel.

24 (Off-the-record discussion).

25 (Continued on next page)

1 Q. Showing you, Mr. Jenkins --

2 MR. BOYLE: May I approach the witness, your Honor?

3 THE COURT: You may, sir.

4 Q. -- what's been marked as Plaintiff's Exhibit -- for  
5 identification only -- 37. Have you ever seen that document  
6 before, Mr. Jenkins?

7 A. Yeah, I've seen this document before.

8 Q. Who gave you that document?

9 A. My parole officer.

10 MR. BOYLE: Your Honor, I move Plaintiff's 37 into  
11 evidence.

12 THE WITNESS: How you going to -- how you going to put  
13 this in evidence when it's not even a complete document?

14 MR. PASSESER: Objection.

15 THE WITNESS: This is not the document that he --

16 MR. PASSESER: I object.

17 THE COURT: We're going to --

18 THE WITNESS: This is not the document he gave me.

19 THE COURT: Stop.

20 THE WITNESS: He didn't give me --

21 THE COURT: Sir, I'm going to ask the jury to step out  
22 now, please. We're going to take a break for about five  
23 minutes. Thank you.

24 (The jury left the courtroom)

25 THE COURT: Mr. Jenkins, you're going to have a moment

1 to discuss this with your counsel, but I'm going to explain  
2 something to you right now. There are rules of evidence -- and  
3 the fact that you're not looking at me doesn't affect me at  
4 all. But let me make sure you understand something. There are  
5 rules of evidence that do not permit you to tell the story in  
6 the way that you want to.

7 THE WITNESS: I'm under oath. I'm under oath. He  
8 start to tell me to lie about something.

9 THE COURT: No, he's not going to tell you to lie.

10 THE WITNESS: I --

11 THE COURT: Sir, sir --

12 THE WITNESS: I said that's not the document that he  
13 gave me.

14 THE COURT: That's fine.

15 THE WITNESS: OK. So then, what's the problem?

16 THE COURT: The problem is that you are erupting in  
17 front of my jury and your jury, and having conversations with  
18 them about things, and suggesting that someone is trying to  
19 hide things from them.

20 THE WITNESS: We went over this --

21 THE COURT: Why are you interrupting me? You do not  
22 get to do that.

23 Sir, you can take the time that you need to talk to  
24 your attorney about the rules of evidence.

25 THE WITNESS: I talked to him for five years about

1 this. The same thing. He going to get up here and play the  
2 same thing with me? This document that he gave me, all these  
3 documents been falsified. When my officer, when my PO gave it  
4 to me, it had the wrong officer's name on it. He knows that,  
5 my lawyer. I've been telling him for five years. Then he's  
6 going to come -- we had a big argument last night about this  
7 whole thing. You going to ask me to say that my PO gave me  
8 this document. And he didn't. He gave me this document, a  
9 police report, of the date we supposed to have, have made out.  
10 It had the wrong officer's name on it. I went to a hearing and  
11 everything. They called the wrong officer and everything. And  
12 it also has false charges on it.

13 So you want me to -- you want to put this in evidence.  
14 And I'm telling you that I didn't get the document like that.  
15 The document in its whole, in its whole -- if you want me to  
16 say this is what he gave me, give it to me in its whole. Don't  
17 give me one piece of a document, and you going to say you going  
18 to put in evidence, and then they only going to get half of the  
19 truth -- when he gave me this document right here. This  
20 document got the reasons. It has all their cell phones'  
21 numbers on it. There is another piece to where it says the  
22 arresting officer is Hamad. Hamad never even worked for the  
23 23rd Precinct. So when I got this document right here, I got  
24 piles of letters I could show you that I wrote everybody,  
25 Obama, everybody. I have letters over there, about this

1 document right here. How you going to give me a document, for  
2 parole? The documents that they turned over right here are for  
3 parole. And it has the wrong arresting officer name on it.

4 THE COURT: All right.

5 THE WITNESS: And that needs to be said.

6 THE COURT: Sir --

7 THE WITNESS: How am I going to legitimize this  
8 document right now by saying -- this is a false document --

9 THE COURT: Sir, sir, sir --

10 THE WITNESS: The same documents you've been killing  
11 me for the last five years.

12 THE COURT: Sir, sir.

13 THE WITNESS: They violated my parole twice with this.

14 THE COURT: Sir. Let me see.

15 THE WITNESS: Let me do this. I'm just going to read.  
16 I'm not going to have all this.

17 THE COURT: No, no. Sir --

18 THE WITNESS: I'm gone. Not going to have this. Take  
19 that as a gift.

20 MR. BOYLE: No, no. Your Honor, may we have a recess?

21 THE WITNESS: Take that as a gift, man. They are not  
22 my advocate. Read my paperwork.

23 MR. BOYLE: Can we just take a minute?

24 THE WITNESS: Hey, listen, I ain't going to sit up  
25 here. I'm fighting you all. You still going to -- after we

1 talked about that last night.

2 I see you in court. You wasn't trying to do nothing,  
3 man. There's why you come with that, no, you -- please, let me  
4 go, man. Let me go.

5 THE COURT: Mr. Boyle --

6 THE CLERK: He's a plaintiff in a civil case.

7 A MARSHAL: All right. He's a plaintiff in a civil  
8 case.

9 THE COURT: Mr. Jenkins?

10 THE WITNESS: Keep that. Dismiss it.

11 THE COURT: Mr. Jenkins, Mr. Jenkins, I'm asking you  
12 to take five minutes before you leave this courtroom. And I'm  
13 asking you to talk to your --

14 THE WITNESS: Why you do this. I'm trying to tell  
15 you -- it's not you, Judge. I'm telling this man, those  
16 documents are false. They violated me three times, man. They  
17 can't process me with the same document. He trying to lock me  
18 up now. And have a court to tell the jurors the same thing.  
19 These same documents. They're trying to pass me the wrong sort  
20 of crap, OK, the same documents. The same documents. Those  
21 are the same documents. Now you going to try to stick it into  
22 evidence, with the false, the wrong officer's name on it.

23 THE COURT: Mr. Jenkins, I want --

24 THE WITNESS: I'm not giving you nothing. You find  
25 it. You find it.

1 THE COURT: Mr. Jenkins, Mr. Jenkins --

2 THE WITNESS: I won't do it. I'm going pro se.

3 THE COURT: Sir, you are not going pro se in the  
4 middle of this trial. You're not going pro se in the middle of  
5 the trial. I want you to take a few moments and just --

6 THE WITNESS: They trying to set me up.

7 THE COURT: No one is trying to set you up.

8 THE WITNESS: They're trying to do the same job as 30  
9 years ago. That's what someone is doing. 30 years ago. They  
10 killing me.

11 THE COURT: Mr. Jenkins, I do want you to calm down,  
12 because if you leave the courtroom now, I will dismiss the  
13 case, and I don't --

14 THE WITNESS: I'm not going to get no witness here.

15 THE COURT: Why not?

16 THE WITNESS: He gave me a document that's false.

17 THE COURT: All right.

18 THE WITNESS: What else going to bring it up? I'm in  
19 the federal court. Who else going to do it in front of a  
20 federal judge?

21 THE COURT: I am a federal Judges, and that's why I'm  
22 trying to understand. That's why we've been having this  
23 conversation.

24 THE WITNESS: That's why I explained it. If it gets  
25 thrown under the rug --

1 THE COURT: Not a thing here has been swept under the  
2 rug. I'm trying to have a conversation with you, sir, so that  
3 I can understand your opposition and your concerns about these  
4 documents. You yelling at me does not help me understand that.  
5 I would like you to take a few minutes, and if you want to stop  
6 this, we can stop this. But don't ever suggest that something  
7 is being swept under the rug or that you're not getting your  
8 fair day in this court, because that's why I'm indulging you in  
9 the way that I am. So that's why, if you want to take a few  
10 minutes just to collect your breath, take a bottle of water or  
11 something, I can offer you a minute. I want you to just calm  
12 down. Because what you're getting upset about is not worth  
13 getting upset about. And you're suggesting that people are  
14 operating against you, in a way that they simply are not. I  
15 will tell you this, sir, from the bottom of my heart, I don't  
16 care who wins. I don't. It doesn't matter to me. I care that  
17 this trial proceeds without ever -- I care that this trial  
18 proceeds in accordance with the rules of evidence, which are  
19 not always things that are intuitive and are not always things  
20 that people appreciate. But I'm not going to have you yell at  
21 me in court, sir. That's not the way this works.

22 THE WITNESS: I apologize, your Honor.

23 THE COURT: I understand, sir. And I understand why  
24 you're heated. Sir, what I understand -- and you don't realize  
25 I understand it -- those rules of evidence, they're not always

1 intuitive and people who do not practice law for a living don't  
2 understand why we have to do it in this way. But we do.

3 THE WITNESS: I can explain to you 2255. I know -- I  
4 studied law for 35 years. I've done 1983s, I've done 440s, I  
5 know the law like the back of my hand. I can tell you about  
6 probable cause. I did 24 years in the penitentiary. I did  
7 most of that in the law library, trying to get home, to my  
8 family.

9 THE COURT: Yes. Which is why you know an awful lot  
10 law. But I'm not sure how much you know about the federal  
11 rules of evidence as they pertain to hearsay.

12 THE WITNESS: I know about the authenticity of a  
13 document before you enter it into evidence. I know that for a  
14 fact. You can't just come up with a document, saying, I'll put  
15 it into evidence, and the authenticity hasn't even been proven  
16 yet. And I've been telling this man that for the last five  
17 years. We need to prove the authenticity of the document. I  
18 can show you right here, I can show you how many times they  
19 using the case against me. This is after it had been sealed,  
20 where parole violated because of these same charges. I did  
21 three violations before because of the same charges. And now I  
22 have to deal with these charges that were sealed until now.  
23 Then I showed them, step by step, I said look, I know it was  
24 changed. I could show you that, why my FBI number was changed,  
25 was changed, has been changed. Who ever heard of that. I only

1 pull out one FBI. I got two now.

2 THE COURT: OK.

3 THE WITNESS: Two. He won't even investigate it. He  
4 won't even look at the fact. I tell him to check the  
5 authenticity of it, that parole made these documents. Where  
6 you see they got the trespassing charge at, I was never charged  
7 with trespassing. That ain't what I was charged with.

8 THE COURT: OK. All right. Sir.

9 THE WITNESS: Parole gave me that charge.

10 THE COURT: Do you want to take a few moments to talk  
11 with your attorneys?

12 THE WITNESS: That might be fine.

13 THE COURT: I'm not going to let you fire them in the  
14 middle of the case. So that's my question. Do you want to  
15 talk to them, do you want to us find you -- can you speak in  
16 the back of the courtroom and we'll stay away?

17 All right. I want all three of his counsel back  
18 there.

19 (Pause)

20 THE COURT: Counsel and everyone, I am also going to  
21 step off the bench. If you need to use the facilities, go  
22 ahead. Thank you.

23 (Recess)

24 (In the robing room)

25 THE COURT: I am putting on the record what I have

1 just spoken about with the parties, and that we are here in the  
2 robing room and here's what we have indicated. I want to make  
3 sure I have their assent to this.

4 In light of the concerns and the changing behavior of  
5 Mr. Jenkins, I believe it best for him, for the parties, for  
6 the case that he and his counsel meet for the remainder of the  
7 day so that they can explain and discuss with him the  
8 evidentiary issues that have sparked so much concern for him.  
9 And if it turns out that tomorrow he is in the same state of  
10 mind and is of sort of the same combative nature in dealing  
11 with me, I will consider very strongly ending the case at this  
12 time.

13 However, in light of the fact that he has gone back  
14 and forth in terms of his emotions and how upset or not upset  
15 he is, I don't want to cause further concern to him, and I  
16 don't want to cause further concern to the litigants by  
17 formally bringing back the jury, telling them that they are  
18 done for the day, and then letting them go. So what I'm going  
19 to do instead is, I'm going to tell the parties here and get  
20 their assent to this, that we're going to break for the day.  
21 I'm going to then tell the jury myself, and I'll solicit input  
22 from the parties as to what they would like me to say. I'll  
23 let the jury go for the day. And we'll talk about who gets to  
24 leave first, whether the litigants would like to take  
25 Mr. Jenkins home or to their offices and to deal with him, or

1 whether I should let the jury out and when they're gone,  
2 they -- because what we're trying to do, let's be clear, is to  
3 minimize any stressors on Mr. Jenkins at this time.

4 All right.

5 MR. OLIVER: Thank you, your Honor.

6 A MARSHAL: Your Honor?

7 THE COURT: Off the record.

8 (Discussion held off the record)

9 THE COURT: We're back on the record.

10 Mr. DeAtley.

11 MR. DeATLEY: I would just note that our officers are  
12 sitting outside of the courtroom, so before either the jury is  
13 released or Mr. Jenkins leaves, that we let our officers in the  
14 room.

15 THE COURT: Exactly. We'll find a place. Exactly.  
16 Thank you for letting me know.

17 Do you have any issue or concern with what I have just  
18 proposed?

19 MR. DeATLEY: No, your Honor.

20 MR. OLIVER: Could we have 40 seconds off the record?

21 THE COURT: Off the record. Is this to discuss what  
22 is to be discussed with the jury?

23 MR. OLIVER: Yes, your Honor.

24 THE COURT: OK. Yes. You have your 20 seconds. Go  
25 ahead.

1 (Pause)

2 THE COURT: Gentlemen, we are now on the record.

3 Mr. Oliver, yes.

4 MR. OLIVER: Thank you, your Honor. Just, we would  
5 request that when you speak with the jury, you perhaps say  
6 something to them like, the parties need to deal with some --  
7 attempt to deal with some evidentiary issues --

8 THE COURT: Evidentiary issues.

9 MR. OLIVER: -- or something along those lines, to  
10 perhaps try and deal with the prejudice that might result from  
11 what's happened today.

12 THE COURT: Yes. And I'm sorry; is there a  
13 contradiction from this side?

14 MR. DeATLEY: I think if you say it's an evidentiary  
15 issue it may seem like, based on what the jury last heard, that  
16 either defendants disclosed something to plaintiff's counsel  
17 and that there is an issue as to --

18 MR. BOYLE: How about "legal issue"?

19 MR. PASSESER: It's not really a legal issue.

20 THE COURT: It is if I terminate the case.

21 MR. OLIVER: There are certain legal issues from our  
22 perspective.

23 THE COURT: OK. I will speak with the jury. You are  
24 not in disagreement with my decision not to formally bring them  
25 back and let them go from the courtroom, correct?

1 MR. OLIVER: We agree with that decision, your Honor.

2 THE COURT: I think that is fine. Who goes first? Am  
3 I telling Mr. Jenkins what I've just done, or are you telling  
4 Mr. Jenkins what I've just done?

5 MR. BOYLE: Despite what just happened, I've known the  
6 man for many years now, and I believe if I go out there --  
7 first he was, you know, going to go out and I got him to sit  
8 down and talk. Let me go then and see whether we could --

9 THE COURT: Leave.

10 MR. BOYLE: -- leave, what the court just did, that we  
11 would like to leave, and go back to my office and talk.

12 THE COURT: All right. Will you communicate to him at  
13 some point today that if he is like this tomorrow, it may be  
14 bad things for his case. I'm not going out there to say it,  
15 because you're telling me you would prefer to speak to him than  
16 I. But that has to be communicated to him, that if he shows up  
17 tomorrow morning and this happens, I am not going to stand for  
18 it. Would you prefer I say that?

19 MR. BOYLE: The only thing I -- there's part of me  
20 that would like that, but the other thing is, if he's calmed  
21 down right now, that might have the opposite effect. And --

22 THE COURT: It nonetheless needs to be communicated to  
23 him. I don't care which of us does it.

24 MR. BOYLE: I will represent to the Court that unless  
25 he refuses to talk to me and refuses to talk to any counsel,

1 that that's what we were informed of by the Court, that if we  
2 could not proceed tomorrow because the behavior persisted, the  
3 case would be dismissed.

4 THE COURT: The case may well be dismissed.

5 MR. BOYLE: May well be dismissed.

6 THE COURT: Yes. OK. You'll tell him that.

7 MR. BOYLE: If --

8 MR. OLIVER: And if he can't, then I'll certainly try  
9 to.

10 THE COURT: Well, I can, but I'm going to have a  
11 marshal next to me as I do it, and I'm not sure -- again, I'm  
12 trying to calm him down.

13 MR. BOYLE: We may be trying to do that, but --

14 THE COURT: Well, have the conversation now. Do that  
15 now. And then come back here with us.

16 MR. OLIVER: Thank you.

17 THE COURT: Officers go home? Send them home.  
18 Tomorrow morning, on time for them. I know they were. 8:45.

19 MR. PASSESER: They were here.

20 MR. DeATLEY: We'll talk to them afterward. Thank  
21 you.

22 (Recess)

23 (In the robing room)

24 THE COURT: We're going back on the record.

25 Is everything resolved?

1 MR. BOYLE: I had a conversation. We both had a  
2 conversation, and Mr. Hassen as well, with Mr. Jenkins. The  
3 first thing is, we agreed we'll all leave right now together.

4 THE COURT: Good.

5 MR. BOYLE: We informed him that the Court would see  
6 the jury on its own, without any of the parties present, and  
7 explained that there are -- and I think I used the term  
8 "issues" or "legal issues," and that would take a substantial  
9 amount of time, and that it's best if the jury came back  
10 tomorrow.

11 THE COURT: Yes.

12 MR. BOYLE: I also explained, asked him to -- for us  
13 to have a conversation, and stated the Court's intention that  
14 if there was something similar tomorrow or if for some reason  
15 we didn't go forward, the Court may, and I underlined "may,"  
16 consider dismissing the case. And he was fine, not with  
17 dismissing the case, but he was fine with the procedure that we  
18 said and that we would all leave together right now.

19 THE COURT: OK.

20 MR. BOYLE: And that was --

21 THE COURT: Then I'm going to let you do that. And  
22 then you guys will follow.

23 Perhaps you can explain to him that the hearsay issue  
24 that caused us to want to break out the parole materials, which  
25 is I think what started him -- he seemed to want all the parole

1 materials introduced as a unit, which they weren't going to be.  
2 No? There are other issues. Fine. Off the record.

3 (Discussion held off the record)

4 THE COURT: May we let the court reporter go? With  
5 our thanks.

6 MR. OLIVER: With our thanks, yes.

7 THE COURT: I'm going to talk to the jury. The  
8 parties have agreed that I may dismiss the jury, without their  
9 presence and without being in open court. What we're going to  
10 do instead is make sure that the litigants all leave. So the  
11 first wave to leave --

12 MR. OLIVER: Good-bye.

13 THE COURT: Plaintiff and counsel. Very well. 8:45  
14 tomorrow morning.

15 MR. PASSESE: Thank you.

16 THE COURT: One other thing to you folks: I want your  
17 jury charges.

18 MR. DeATLEY: Yes, your Honor.

19 THE COURT: The OGA charge.

20 MR. DeATLEY: Yes, your Honor.

21 THE COURT: I'm not going to think it up myself.  
22 Thank you.

23 MR. DeATLEY: We've got it.

24 THE COURT: And then in a few moments you all may  
25 leave. If you want to stay here, if it's easier to leave

1 from -- I don't care. That's fine.

2 And then I'm going to go meet with the jury. But,  
3 yes, and I'll give you guys enough time to all head out.

4 Thank you.
